

Saskatoon Engineering Students' Society Commissioner Application 2020-2021

The Saskatoon Engineering Students' Society needs you! Various commissioner positions are now available for the 2020-2021 academic year. Every year we thrive due to the support of the students who get involved to help improve their college as well as student life. For that reason, we invite you to apply!

As a commissioner, you will have the opportunity to advocate for Rec Sports, organize tutorials, plan charity events, run the lounge, take care of the Tank, plan stunts against the Agros, or any of the many other exciting roles as a commissioner.

A list of commissioner positions has been added for easy access. **We have highlighted the most important positions to be filled as soon as possible, and we urge you to consider these positions.** If any of them catch your eye, I encourage you to apply and contact any of the executive for more information about the position!

Please submit your application to president@sess.usask.ca before **7:00PM** on **May 1st**. We look forward to working with you!

Commissioner Application:

Name:	
NSID:	
SESS Membership #:	
Commissioner Position(s) Sought:	
Please attach a 250-500-word submission to the selection committee on why you feel you are qualified for the position (one application for each position)	

The Executive will contact you when the commissioners have been selected. Thank you for your interest!

Commissioner positions to follow

If you are curious about any of these positions, feel free to ask any of the executives for more information. A more detailed description of the commissioner positions is available in the SESS Policy Manual: Sess.usask.ca, click on Governance >> Policy Manual

Academic Commissioner	Organizes tutorials for engineering classes, finds instructors to teach the tutorials, and keeps the tutor list up to date.
Alumni Commissioner	Keeps in touch with engineering alumni, and brings them up to date on what the society has accomplished.
Career Development Commissioner	Acts as a liaison for the SESS to the Student Employment and Career Centre and helps organize Careers Day.
Charity Commissioner	Organizes the society's charity events such as Pi-Throw, the Annual Blood Drive, and can create new and exciting charity events.
Store Finance Commissioner	Takes care of the finances of the E Store and performs cash outs
Store Operations Commissioner	Runs the cash register, orders merchandise, and makes sure that everything in the store is running smoothly.
First Year Priorities Commissioner	Chairs the First Year Council meetings, oversees their operations and gives them ideas, and keeps the council up to date on SESS.
I.T. Commissioner	Ensures the SESS computer, hardware, software, and database are working the way they should.
Lounge Commissioner	Looks after the SESS lounge, ensures the equipment and furniture are in good shape and helps arrange the lounge for events being held there.
Morale Commissioner	Plans the morale boosting activities of the society, specifically those against the Agros.
Photography Commissioner	Takes pictures of events for use on SESS social media platforms.
Recruitment and Development	Helps the VP Students Affairs with outreach programs to high schools like What is Engineering? And the Annual Open House.
Recreation Board Commissioner	Represents Engineering on the Campus Rec Student Advisory Board and promotes involvement and participation with recreational sports.
SEC Commissioner	Is in charge of planning the Saskatoon Engineering Competition.
Tank Commissioner	Looks after the society's beloved vehicle, ensures it is stored safely, and repaints it if it turns blue.
Website	Updates the SESS Website to have the most recent news and versions of the SESS Constitution and Policy.
Winter Formal Commissioner	Plans the annual Winter Formal Awards Ceremony.
Volunteer Commissioner	Creates and maintain a list of volunteers for the society, and organizing volunteers for events.
