OCTOBER 10TH

President's Message

Happy post thanksgiving everyone, I hope you all enjoyed turkey induced naps. Once again, I'm back in Vancouver. I've spent the weekend out here attending WESST Annual General Meeting and Retreat, which is an excellent conference, and if you want any additional information please refer to the write up in this issue. Week 2 of spooky week month is short on events but we still have some news for you.

Midterm Tutorials

Midterms are coming up and your friendly neighbourhood Student Affairs has planned out some tutorials to help you through. Times and dates are available in this edition of the fo so read on.

VP Administration By-election

Congratulations to Logan Hunter who was elected as VP Administration in the By-election. Thank you to everyone who voted.

Since we're short on actual content I'm putting in 2 bad jokes:

Q: If April showers bring May flowers, what do May flowers bring?

A: Pilgrims

Q: What do ghosts eat for dinner?

A: Spooketi and Meatboos.

Robert Ashton
SESS President

Week at a Glance

| Tues | Wed | Thurs | Fri |
|------|---------------------|-----------------|--|
| | CHESSE Perogie Sale | IEEE Pizza Sale | Engineers without Borders and Civil BBQ MESA Annual Pig Roast @ 6pm in Hardy Lab Math 233 Tutorial |

Tutorial Information

Hello everyone! With midterms coming up we've booked several tutorials for some common first and second year classes. **These tutorials are available to SESS members only** as they are facilitated and paid for by the SESS. Membership cards will be checked at the door at the beginning of every tutorial.

The term 1 tutorial schedule is as follows:

MATH 223 Tutorial

October 13th, 7:00pm – 10:00pm
PHYS 107

MATH 123 Tutorial

October 16th, 7:00pm – 10:00pm
PHYS 107

GE 111 Tutorial

October 22nd, 12:00pm – 3:00pm
PHYS 107

GE 124 Tutorial

October 23rd, 7:00pm – 10:00pm
BIO 106

your friendly neighbourhood Student Affairs Shanleigh McKeown

WESST Annual General Meeting and Retreat

Over Thanksgiving weekend, the Western Engineering Student Societies' Team (WESST) hosted their Annual General Meeting and Retreat (AGMR) at Camp Jubilee, located near Deep Cove, BC.

WESST is an alliance of engineering student societies across western Canada and consists of 12 member societies from 11 engineering programs. WESST helps its member societies share expertise on organizing events, managing budgets and services for undergraduate engineering students.

AGMR is a four-day conference that serves as a time for new engineering students to make connections within WESST, where there are sessions on topics related to student involvement & professional development. The conference includes a day of plenary sessions in which student societies vote on policy that best represents their schools interests. AGMR also serves as a time for Members to elect the new WESST Executive Team for the 2018/19 academic year. The election results are as follows:

WESST President Elect – Noah Hladun (University of Saskatchewan)

WESST VP Communications Elect – Robert Ashton (University of Saskatchewan)

WESST VP Finance Elect – Venedict Tamondong (University of British Columbia, Okanagan Campus)

If you want to learn more about WESST, the opportunities they offer, or the platforms of the WESST Elects please contact the SESS VP External, Noah Hladun at vp.external@sess.usask.ca
