OCTOBER 15TH

2018

President's Message

Hello everyone,

I hope everyone has had a great weekend full of productivity & fun! As we move into midterms, there are some awesome opportunities to get involved in the engineering & campus community.

USSU Face-to-Face

Come meet your USSU Executive at **Face-to-Face on Wednesday, October 17th from 11:00 am – 1:00 pm outside of the SESS Student Lounge**. By setting up pop-up tables all over campus, Face-to-Face will provide students with an avenue to meet the USSU Executive. This project, brought forward by VP Moellenbeck, aims to increase the accessibility of the USSU Executive, as well as seeks to engage students from all colleges and programs.

Toga Small Town Dry

Toga Small Town Dry is Friday, October 20th at 7:00 pm. Drinks are \$4.00 all night and there will be toga tying in the SESS Student Lounge prior to the bus leaving. Tickets are \$10 for members and \$20 for non-members.

SESS Council Meeting

SESS Council is open to all students in the College of Engineering and all SESS members have voting rights. This month's council meeting will be on **Tuesday, October 23rd at 5:30 pm; location TBD**. The purpose of the SESS Council is to connect members with the work of the SESS executive and commissioners. I hope to see you all there!!

Saskatoon Engineering Competition Registration

The **Saskatoon Engineering Competition is Saturday, October 27th** and registration is now available! This year, there are 8 competitions you can compete in; programming, senior design, junior design, innovative design, debate, communications, consulting, and re-engineering. If you have any questions about the competitions or rules please email our VP External, Logan Hunter, at vp.external@sess.usask.ca or stop by the office to speak to one of the executives.

Q: What do you call Santa's helpers?

A: Subordinate Clauses.

Kind Regards;

Shanleigh McKeown

Student Activities Fund

Are you a student involved in extra curricular activities within the college? Do you need money? Who doesn't! The Student Activities Fund (SAF) is available to all students in the College of Engineering that need funding for a student group, club, college affiliated travel, discipline specific activities, and more!

Read through the Student Activities Fund Manual and see if you are eligible for funding. Applications are open now and due November 9th by 4:30pm. The funds are then reviewed by the Board of Directors and finalized by the Associate Dean Academic. The funds are then awarded by the end of the year.

Applications can be found at <https://sess.usask.ca/services/student-activities-fund.php> and can be handed in to the VP Finance mailbox in the SESS office or emailed to vp.finance@sess.usask.ca.

Petric Concert

The Environmental Engineering Student Society is fundraising money by selling tickets to the Petric Concert at Outlaw's on October 18th, 2018. Tickets can be bought through any Environmental Engineering Student Society Executive Member and they can also be reached through their Facebook page.
