President's Message

Hello from Fredericton, New Brunswick!

Currently, as I'm writing this on Thursday, I have the incredible opportunity to be at the Canadian Federation of Engineering Students President's Meeting (CFES PM) with our VP External Logan Hunter! Discussion with other schools haven't started but I can assure you, this girl is going to kill it (PS. When you see her on Monday, today, bring her caffeine...she'll need it).

This week is a little quieter for us at USASK but we still have some information to share with you all.

Conference on Diversity in Engineering (CDE) Applications Due

Applications for the Canadian Federation of Engineering Students Conference on Diversity in Engineering (CFES CDE) are due today at 4:30pm. If you haven't already, grab your form from the SESS office and drop your applications off in the SESS office.

University of Saskatchewan Students Union (USSU) Elections

As you are aware, by-elections have opened for USSU Presidency. If you'd like more information regarding the previous elections, or the new nominations period please email the Acting USSU President Brent Kobes at president@ussu.usask.ca, or visit the USSU website at <http://ussu.ca/main-page>.

Great Western Member Kickbacks & Prize Packs

This year, the SESS is fortunate enough to have gained sponsorship with Great Western Brewery. As part of our sponsorship, Great Western is offering SESS members prizes for receipts submitted to the SESS office. How it works;

1. Purchase Great Western products
2. Submit your receipts to the SESS office
3. Be entered in to a monthly raffle to win prizes!

There's no cost to submitting receipts & it's an awesome opportunity to win prizes which range from E-Store merchandise, to liquor store gift cards. Any proceeds from the raffle will be used to fund Year End Events and more free bxxr nights. That's all from me this week folks; happy Monday!

Q: What do you call a guy who's born in Columbus, grows up in Cleveland, and then dies in Cincinnati?

A: Dead.

Kind Regards,

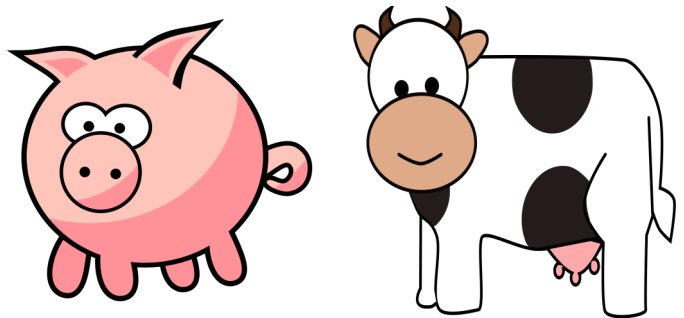

Shanleigh McKeown

We Raised a Barn!

Thank you to all who came out last Monday to “raise a barn” with us in the agriculture students’ lounge. It was an excellent opportunity to spread morale throughout the college. A special thanks to our morale commissioner Brittany Peacock for orchestrating the event and making it run so smoothly. If you missed this event, don’t fret. There will plenty more morale stunts performed through the year. We are excited for the next event so stay tuned...!
