SEPTEMBER 17TH

2018

President's Message

Hey guys,

I hope everyone enjoyed their weekend (responsibly, of course) and are excited for another week! We have a few awesome opportunities this week for you guys.

Conference Opportunities

Reminder that applications for Western Engineering Students' Societies' Team Annual General Meeting & Retreat (WESST AGMR) are due Monday (17th) at 4:30pm in the SESS office! Along this with, applications for the Canadian Federation of Engineering Students Conference on Diversity in Engineering (CFES CDE) are now open; stop by the office to pick up your application!

Campus Career Expo

The campus career expo is this Wednesday September 19th from 10:00am – 4:00pm in the PAC. The Career Expo is a campus wide career fair organized by the Student Employment Career Center (SECC) in conjunction with the SESS and the International Student and Study Abroad Centre (ISSAC). This event brings hundreds of potential employers together who are looking to hire students! Take the time this Wednesday to attend and volunteer. For more information on volunteering or the event, please contact Andrew te Linde at career.development@sess.usask.ca.

College Splash

College Splash is this Thursday September 20th at 11:45am. Join us in the lounge to get ready for the annual Eng vs. Ag water fight in the bowl. Come prepared to get soaked and to take on some agros!

Bxxr Olympics

The Annual Eng vs. Ag Bxxr Olympics are this Friday September 21st! Register your team of 6 in the SESS office! Tickets are \$10/members and \$15/non-members. The price of tickets include team registration and free bxxr for all events! If you can't find a team, come as a spectator and receive free bxxr between the hours of 10pm – 11pm. See you all there!

Now that's all from me for this week; have a great week!

Q: Why wouldn't the shrimp share his treasure?

A: Because he was a little shellfish.

Kind Regards,

Shanleigh McKeown

Week at a Glance

Mon	Tue	Wed	Thu	Fri
		Campus Career Expo 10am-4pm @PAC		College Splash 11:45am @SESS Lounge

Conference on Diversity in Engineering

CFES CDE is coming up, and registration is now open! CDE, or the Conference on Diversity in Engineering, is an amazing opportunity to attend sessions that discuss the issues of diversity in the engineering profession, and the ways in which these issues can be identified and remedied. It is also an opportunity to make friends with people from across Canada. This year CDE will be hosted by Ryerson University in Toronto, from November 9-12. Delegate fees will be approximately \$200, with additional travel costs will be covered by the SESS.

Find applications on the desk in the SESS office and on our Facebook page. They will be due by 4:30 October 1 in to the VP External Affairs mailbox. Please direct any questions to the VP External Affairs, Logan Hunter, at vp.external@sess.usask.ca.

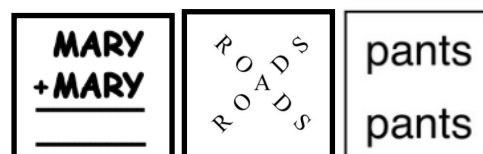

R&P Morale Stunt

Join us for our first red and proud morale stunt of the 2018-2019 year! On Monday September 24th, we will be building a barn in the agriculture student lounge. This is a fun opportunity to meet other students in our college as well as be involved with the ongoing rivalry between engineering and agriculture students.

Summary

Crossroads

Pair of Pants

College Splash

Get ready to get soaked! College Splash is an annual water balloon fight between Eng and Ag which takes place in the Bowl. Meet in the SESS Lounge on Thursday, Sept 20th at 11:45am wearing something to get wet in (like old gym shorts). Bring your Game Face.

Bxxr Olympics

FREE BXXR!! Get a team of 6 Engineers and register in the SESS Office for Bxxr Olympics, an annual tournament of bxxr-related events between Eng and Ag. Team members will receive FREE BXXR FOR THE WHOLE EVENT, and Spectators will receive Free Bxxr between 10 and 11 pm. Registration costs \$10 per SESS-Member and \$15 per non-member. Bxxr Olympics will be hosted at the Sutherland Bar on Friday, Sept 21st at 7 pm.

Engineering Paintball

Come duke it out with your friends at Engineering Paintball! This year features a FORTNITE game mode, where players will receive double the standard starting ammo, and can pick up even more ammo (and even grenades) on the field to save for later. Engineering Paintball is on Sunday, Sept 30th at Divide N Conquer Paintball. Tickets cost \$45 for SESS Members and \$55 for non-members. If you don't think you will have a ride out there, buy your tickets early and sign up for the car-pool in the SESS (very limited space). Buy your tickets in the SESS Office and arrive at the field by 12:30 pm!

Get Involved with the USST

The University of Saskatchewan Space Design Team (USST) is a team of more than 30 students from multiple colleges who share a passion for space and space-related technologies. The team is currently working on its Mars rover project, which regularly competes internationally, as well as its CubeSat project that is expected to launch into space in 2021!

If you would like to get involved, or simply want to know more checkout their website: www.usst.ca or contact recruitment@usst.ca for more info.

Follow USST on social media: [@uofsspaceteam](https://twitter.com/uofsspaceteam)

Fun Fact: Did you know the USST beat SpaceX back in 2006 for their record setting space-elevator climb?

Poofie and Discipline Jackets!

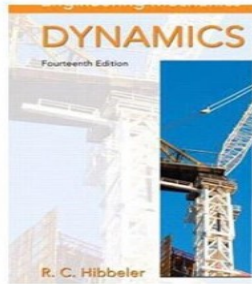

Order forms are now available for poofie and discipline jackets! Order forms can be found in a folder on the bulletin in the SESS lounge. Stop by and pick one up to learn more about how to order your desired jacket. Order forms are due October 12th.

Reminder about lockers

A friendly reminder that lockers rented during the summer expired September 15th. Please return your locks ASAP.

Sports Reimbursement

Did you know that if you are involved with a sports team with 2/3 SESS members, we will pay for your fees? Stop by the office to learn more about our sports reimbursement program.
