SEPTEMBER 24TH

2018

President's Message

Hey guys,

I hope everyone enjoyed their weekend (responsibly, of course) and are excited for another week! Also, congrats to all the teams at bxxr Olympics for beating the Agros! We have a few awesome opportunities this week for you guys.

Conference on Diversity in Engineering (CDE) Applications

Applications for the Canadian Federation of Engineering Students Conference on Diversity in Engineering (CFES CDE) are now open; stop by the office to pick up your application or email Logan Hunter at vp.external@sess.usask.ca for more information.

R&P Morale Stunt

On Monday September 24th, we will be building a barn in the agriculture student lounge. This is a fun opportunity to meet other students in our college as well as be involved with the ongoing rivalry between engineering and agriculture students. We will meet in the SESS Lounge at 7:00pm; see you there!

Engineering Paintball

On Sunday September 30th get ready to duke it out with FORTNITE engineering paintball! That's right, in the Fortnite game mode players will receive double the standard starting ammo, as well as ammo and grenades in the field to save for later. The event will take place at Divide N Conquer paintball. Tickets start at \$45 for SESS members and \$55 for non-members. Space is limited so come get your tickets now!

Q: How does a pig go to hospital?

A: In a hambulance.

Kind Regards,

Shanleigh McKeown

Week at a Glance

Mon	Tue	Wed	Thu	Fri
R&P Stunt 7pm @ SESS lounge		CHESS Perogie Sale 11:30-1:30pm outside SESS lounge
