PRESIDENT'S MESSAGE

Hello, everyone!

I hope you all had a great first week, and hopefully there aren't too many assignments due yet. Be sure to say "RIP" to all your 4th year Electrical DSP friends, who have their first lab exam on Tuesday.

Sno Golf is scheduled for February 1st, and tickets will be on sale soon. We are still looking for a place to host (we have one in backup). If you have access to some private land not far outside Saskatoon and like having fun and free drinks/food, our Sno-Golf Commissioner wants to ask you if you can host Sno-Golf this year. If you think you can help us out, please send me an email at president@sess.usask.ca. You will be compensated for your kindness.

The SESS is looking for a **new bunny-hug design** (hoodies for those who aren't locals)! If you send us a design, you'll be entered into a contest to win some sweet merch along with a free hoodie! The due date for entries is next Sunday (the 19th). See the next page or two for details.

Check out the SESS office for **application forms for CSE** if you would like to attend! Contact Logan Hunter, our VP External Affairs, at vp.external@sess.usask.ca if you would like to know more.

And if you would not only like to know more, but DO more, be sure to pick up a nomination form for the **upcoming SESS Executive Elections** in the SESS office. Nominations are due Tuesday, February 4th. If you are looking for a way to contribute without taking as much time as an executive away from your schedule, consider picking up a commissioner application form from the office!

C.J. MACKENZIE TICKETS MUST BE BOUGHT BY WEDNESDAY JAN. 15TH. The C.J. Mackenzie Gala of Engineering Excellence is next Tuesday (the 21st). Tickets are \$20, you can pay in cash at the SESS Office, or via credit engineering.usask.ca/cjmackenzie. This year sees Dr. Brad Polischuk as the Distinguished Lecturer.

IEEE also has a **Beer Night this Friday**, and if it is anything like their last beer nights, it'll be worth the money. Go to 2C54 for tickets.

That's quite a bit of stuff going on! I hope you all have a great week!

Cheers,

Dayne G.

CSE APPLICATIONS ARE OUT!

The Conference on Sustainability in Engineering (CSE) is a three-day national conference to educate and engage engineering students on issues of sustainability and how they can tackle it within their engineering career and everyday life. The conference aims to raise awareness about issues in sustainability and environmental engineering, and encourage students to discuss and design solutions to counter them. CSE provides a stage for engineering students across Canada to discuss innovative ideas and learn from fellow students and professionals in order to further their understanding of sustainability in the Engineering field.

This year, CSE will be February 21-24 in Waterloo, Ontario!
Applications are due at 4pm on Friday, January 17th. Come to the SESS Office to get a form or drop off your completed one!

**Clothing/
Food
Drive**

Don't pretend like you ACTUALLY wear everything in your closet!

Drop off your gently used clothing items and non-perishable food items in the marked bins in 1A88 until January 31st!

Thank you!  ENVIRONMENTAL ENGINEERING

ENGINEERING HOODIE DESIGN CHALLENGE!

As you may know, we've run out of hoodies here at the E-Store. We **WILL** be placing another order, but we're doing it a little differently...

We're asking YOU to submit a hoodie design!

If you have any questions, don't be afraid to drop by the office or shoot an email to estore.operations@sess.usask.ca.

STEPS:

- **Create** a hoodie design, featuring "uSask Engineering" or something similar. Use the templates provided in the QR codes. Feel free to create and submit more than one design!

- **Email** estore.operations@sess.usask.ca with your design submission **by Sunday, January 19.**

- **Vote** for your favourite design by liking it on the E-Store Facebook page. Voting starts on **Monday, Jan. 20th** and ends on **Friday, Jan. 23rd.**

Use the following templates:

— Black hoodie
White hoodie —

And here's the E-Store Facebook page!

The owner of the winning design will receive a prize PLUS a FREE HOODIE when the order comes in. Get workin' on it!

SESS Executive Nominations

Positions available:
 President
 VP Student Affairs
 VP Finance

Unfortunately, poofies aren't
 in quite yet. However,
**discipline jackets and
 armbars are available for
 pick-up in the SESS Office!**

IEEE
Illumination
2020
February 7-8

**Illumination is the HOTTEST and the
 LARGEST uSask IEEE event of the year,
 and you don't want to miss out!**
 Come out and ask questions, interact with
 professionals, get internship / job
 opportunities, eat delicious food, and act
 fancy.

**A \$150 deal for ONLY \$30 - \$35 at the Hilton Garden Inn
 that includes:**

1. Wine & Cheese Night
2. Networking opportunities
3. Science Show
4. Full Breakfast Buffet
5. Full Lunch Buffet
6. 4-Course Dinner
7. Speeches that will break
your ground

TONS of sponsors and corporations are coming: Shermco
 Industries Canada, APEGS, SaskTel, Primary Engineering Ltd.,
 SaskPower, Viamo, International Road Dynamics (IRD), Team Power
 Solutions, Brand x Technologies, Primerica, and many more!

Ticket sales start on Monday, January 13th! In front of ENG 2C01
 from McNaughton Center at 2C54 (cash and credit both accepted)
 or online (check out our Facebook event below!)

<https://www.facebook.com/ieeellumination/>

If you have any questions, contact Samia Sami at sas542@usask.ca.

**Are you interested in international
 development and making a positive change?**

Do you wonder about how you can gain leadership
 skills? If so, join Engineers Without Borders at our
 Member Learning this week for an interactive
 session on 'confidence in leadership' and kickstart
 the new year with building a new skill!

This session takes place on January 14th from 6:00p
 to 7:00p in Eng 2B52. Light refreshment will be
 provided. Come out with friends and learn with us!

For more information, please email
ewbusaskpresidents@gmail.com. Hope to see you
 there! :)

**UNIVERSITY OF SASKATCHEWAN
