PRESIDENT'S MESSAGE

Hello everyone!

I hope you are all as excited as I am for the break week ;) But before we enter break-mode, we still have one more week of stuff going on.

We have the **Hoedown Cabaret**, hosted by GESS THIS Friday (looking like a good time!) and **Civil Ryde Night** on Wednesday. See inside for all the details on prices and times!

That's all we got for events this week, but the students of Engineering should keep their eyes out for a new event, created for and by engineering students: **Fire and Ice Dance** (get it? It's because Engineering is hell, and Saskatchewan is cold. This is the part where you laugh.) It's in March, it's a big party, and it's gonna CHEAP CHEAP CHEAP! Stay tuned for more details...

If you want a Discipline Jacket, a Poofie, or some armbars, be sure to **fill out a form** (located beside the E-Store window in the Lounge) **by Friday**.

Also, if you want to apply for **Students' Activity Fund (SAF)**, be sure to hand in your forms (available in the SESS Office) **by Friday**.

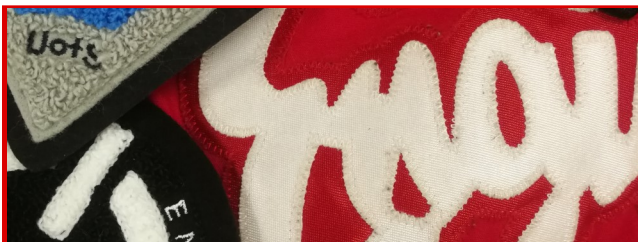

Also also, there is **the referendum happening RIGHT NOW** for the University of Saskatchewan Engineering Students' Fund (USES F), so be sure to **VOTE ON PAWS** before Wednesday.

That's all I got. I hope you all have a wonderful break :)

Cheers,
Dayne G
