## PRESIDENT'S MESSAGE

Hello!

I hope your first full week of classes treated you well. I'm sure that everyone is starting to feel the pressure from homework and labs so be sure to take a break every once in a while (make sure that you spend 30 minutes in McNaughton for every 2 hours in Tau/ Doc Wood Lab).

Wing Night was a success this last Saturday! The wing platters were flying left and right, and the room was humming with chatter and laughter. I hope to see all of you out again at the next wing night with your friends.

Keep your ears out for College Splash and if it is happening this week (the Agro's are being especially tricky to work with this year). As well, be sure to come buy your ticket for Eng vs. Ag Paintball (which is this upcoming Sunday). We're gonna kick their butts, but only if you buy tickets.

I still haven't heard anything about ChESS Perogies, which is causing me crippling disappointment, so please keep your ears out for food from Discipline Societies. IEEE is selling pizza every Thursday, so at least we have that going for us. Oh, and we sell food too, so come by the E-Store (in the Lounge) if you want to buy anything from trail-mix to noodle-bowls to breakfast burritos.

And now, for the weekly (dad) joke.

Q: What do sprinters eat before a race?

A: Nothing, they fast!

Laughing Out Loud,

Dayne G.

**Are you interested in international development and making a positive impact?** If so, join Engineers Without Borders (for free pizza!) at our introductory session this week!

It's happening on September 17th from 6:30p to 7:30p in Eng 2B52. This is a great opportunity to learn more about what Engineers Without Borders is, what we have done as a local chapter, and how to get involved.

Are you interested but can't make it to the introductory session? That's okay, stayed tuned for future meetings and events.

For any questions, please email [ewbusaskpresidents@gmail.com](mailto:ewbusaskpresidents@gmail.com). Hope to see you there!

### Sick of Ag Café coffee?

Tired of walking to Tim's? The U of S Canadian Geotechnical Society has the answer! Buy lattes, americanos, espresso, and coffee every Wednesday morning from 9-11AM outside the Lounge. We take cash, debit, credit, and Apple Pay! Quit sleeping through fluid mechanics and drink some caffeine!

# AGMR APPLICATIONS

Our first conference of the year is being hosted by the University of Manitoba in a small little retreat just outside Winnipeg! This informal conference runs from October 12-14 and features sessions for professional development, leadership skills, and voting for the next WESST Executive! It is a fun-filled three days where you can meet engineering students from across Western Canada and get away from homework for a while.

**Applications are due on September 18th. Hand them in at the SESS Office.**

If you have any pressing questions, talk to our VP External Affairs, Logan Hunter, at [vp.external@sess.usask.ca](mailto:vp.external@sess.usask.ca)!

**Are you interested in a career in mining or just want to learn more about the industry?** CIM Saskatoon Student Chapter is hosting their Annual General Meeting September 20th. Come out to join us for some FREE PIZZA and learn about what CIM SSC does and what events we will be planning this year! If you'd like to become a CIM Saskatoon Student member now, go to [http://bit.ly/CIM\\_signup](http://bit.ly/CIM_signup)

# ENGINEERING RECREATION SPORTS TEAMS

**If you're interested in playing sports, but can't let school compete with a varsity team's demanding schedule, then Campus Recreation is for you!**

# 100 YEARS FLASHBACK

## 1975: Student Life

Recognize this ramp? Engineering students have been (unfortunately) travelling all across campus for decades, thanks to our wide variety of classes. So, next time you're frustrated with your math course coordinator, or you're forced to walk a marathon every day, just remember: you're not the first one!

**ANNUAL GENERAL MEETING CIM SSC**

# WEEKLY MEME

You know you're an engineer when you have memorized the entire Greek alphabet, but don't know a single word in Greek. No, "souvlaki" doesn't count. (Credit to @engineeringmemesguy)

# REBUS PUZZLES

## SOLUTIONS TO LAST WEEK'S PROBLEMS:

- 1) Cutting edge, 2) Foot in the door, 3) Lone wolf, 4) Long story short
