... and much more!

PRESIDENT'S MESSAGE

Hello!

I hope everyone had a great first week, and hopefully didn't spend *too* too much time in the beer gardens (also, \$6 for a beer? What the hell?). Now that everything is settling into place, labs will be starting up, so be sure to double check your schedule so that you're not missing any.

This week will see a few events going on from the SESS, and even more from other student groups. We are hosting Traditions/Kool-Aid Night on Wednesday at 7pm in the Lounge, and Wing Night on Saturday at Hudson's at 7pm (49¢ wings!). I hope to see you there!

Check in with your local discipline societies to find out when you can buy some food from them (I'm waiting for those perogies, ChESS) and when they are hosting their own social events throughout the year (IEEE, I'm anxious for those bxxr nights).

Also, as some of you had pointed out, I forgot to include a President's Joke last week (my bad). To make up for it, I'll include two in this issue.

El Presidente's Joke #1: Why did the chicken cross the road?

A: To get to the other side.

El Presidente's Joke #2: Why did the rooster cross the road?

A: To cock-a-doodle dooo something

Dayne G.

AGMR APPLICATIONS

Our first conference of the year is being hosted by the University of Manitoba in a small little retreat just outside Winnipeg! This informal conference runs from October 12-14 and features sessions for professional development, leadership skills, and voting for the next WESST Executive! It is a fun-filled three days where you can meet engineering students from across Western Canada and get away from homework for a while.

Applications are due on September 18th. Hand them in at the SESS Office.

Check out the application forms in the SESS Office or on our SESS Facebook page for more info!

If you have any pressing questions, talk to our VP External Affairs, Logan Hunter, at vp.external@sess.usask.ca

UNIVERSITY OF SASKATCHEWAN
AERO DESIGN TEAM

September Events

11 SEP
First General Meeting
Come meet the team and see what our club is all about. Tour our workshop and planes from previous years. Learn about the competition and the various possible roles/tasks you can expect to partake in.

18 SEP
PLANE KIT BUILD
Come help build a functional radio controlled plane. Gain hands on experience and learn about the different components on a RC plane. Going to be a blast!

25 SEP
PLANE KIT BUILD CON.
Bring a friend!

28 SEP
BBQ & FLIGHT DAY
* Event Time: 10am. Meet in Hardy Lab. *
Going to trek to the Saskatoon RC Airfield to fly the planes you guys built along with planes from years past. Bring an appetite for the complimentary BBQ. Hamburgers will be grilled right there at the field.

All events take place at 6:00pm in Hardy Lab Rm 1A54

EMERGENCY ALERTS

now

Presidential Alert

HFR Problem Paper - Room 1A25

1 for \$5 / 2 for \$9

Cash, Credit, and E-Transfer Accepted

If you're interested in hands-on engineering design, fabrication and manufacturing, being part of a team, or just driving a race car, come join **Huskie Formula Racing!**

Our first meeting is this Thursday (Sept 12) at 7pm in Eng 1B71! Everyone is welcome to come, regardless of year, discipline, or prior experience.

SESS MEMBERSHIP

- Free Red Book (Handbook / Planner)
- Free SESS Drinking Glass
- \$10 Off Locker Rental
- Free Half-Pad of Engineering Paper
- Discount on Eng Paper from the E-Store
- Discounts on Clothing at E-Store
- Discounts on Event Tickets

\$30 membership, huge savings! Come to the SESS Office and buy one now!

CAREER'S DAY

Come out to the PAC on September 18th from 10am - 4pm to experience the USask Careers Day! Bring a resume and a firm handshake to mingle with industry reps, learn about the many different engineering employers in Canada, and get free swag (who doesn't love free swag?). This is a great chance to learn about full-time jobs, part-time jobs, and internship opportunities.

100 YEARS FLASHBACK

THE E-STORE IS OPEN!

Renovated and fully stocked with everything an engineering student needs: ramen noodle cups, snacks, eng paper, hoodies, Redbull, and a whole lot more!

Come check out our new renovations and see what we have in stock! Located in the corner of the student lounge.

1980: Campus Rec

Campus rec has been around for nearly a century, and engineers have taken pride in our sportsmanship from the start. This image shows a women's hockey team, back when hockey was still a rec sport!

WEEKLY MEME

Freshman year vs. Senior year

The bright eyes and bushy tails of first years... It's cute, really. Credit to @engineeringmemesguy
