PRESIDENT'S MESSAGE

Hello!

I hope everyone had a great time at MESA's Pig Roast last Friday! I heard it was awesome and I can't wait for next year! If you haven't had your fill of BEvERages, be sure to form an Olympian team and compete in the Eng vs. Agro Beer Olympics tonight (Monday)! Team fees are \$10 for SESS Members and \$15 for non-members, and that gets you free tournament beers and some awesome give-aways (courtesy of Great Western), along with a chance to claim the trophy and a cash prize!! Grab a team of 4, think of a last-minute theme for your team, register at the SESS Office, and go out-drink some agros!

Speaking of kicking agro ass, if you want to steal the Ag Bag Drag car be sure to keep on the lookout for it! If you want to get involved (you won't regret it), send me a message at president@sess.usask.ca or at (306) 570-4253. We also have the Eng Van (Tank Jr.) out for grabs, so if you and some friends want to take it out for some fun, let me know and I'll get you in touch.

Also, a reminder that the rules for the Ag Bag Drag car chases are published in the 'Fo, and if you have any questions send me a text at (306) 570-4253. Also, don't drink and drive or I'll kick your ass!

Anyways, I should remind you that the federal election is ongoing, and be sure to get informed (see the article in this edition about voting) and vote at Place Riel (open until Wednesday). Your vote matters!

Hmmm... I don't think there is much else going on this week... If I'm wrong, be sure to submit advertisements and event dates to Keaton to be published for next week!

Another joke by yours truly:

The fact that some people call the Eng Van ugly (it's flippin beautiful)

Booking an appointment for another engineering tattoo,

Dayne G.

WEEK AT A GLANCE

CALLING FOR TUTORIAL HOSTS

We are looking specifically for hosts for the first year classes of **GE111** and **CHEM114**. If you're interested in hosting these tutorials, or would like to host a tutorial for another course in first year or in upper years, contact David, our VP Student Affairs, at vp.student-affairs@sess.usask.ca. Besides our gratitude and the warm feeling of charity, there is reimbursement for you and your discipline society. Don't hesitate! Best of luck this midterm season!

Rules for Ag Bag Drag

- Obey all traffic laws when chasing/evading (it's better to get captured than to get someone killed)
- If you're not having fun, you're not doing it right
- Both the Ag Bag Drag car and the Eng Van must be "Out and Available" each night (at the very least, parked somewhere it can be found and stolen)
- The keys to both vehicles must be left in/near the vehicle when not in use
- Both vehicles must remain unlocked when not in use
- The vehicles are not to be taken outside city limits
- If you capture a vehicle, give the previous drivers a ride home (don't be a dick).
- The Ag Bag Drag car **MUST** always have the details for the Ag Bag Drag party painted on, regardless of which college has the vehicle.
- **DO NOT** spray paint over windows, mirrors, lights, etc.
- **NO DRINKING AND DRIVING**

IEEE BOOZ NIGHT

CHAPTER TWO

Buy tickets from **Eng 2C54** or contact social@ieee.usask.ca

IEEE Members: \$15
Non-Members: \$20

Friday, Oct. 25th
8pm - 10pm
612 - 11th St. E
Hose and Hydrant
19+ only

Unlimited apparent power* from 8:00pm to 10:00pm

VOTE!

Don't just complain!

Do your research. Check out the site in this code to see brief overviews of each party's standings on important issues, side by side. Pulled from their platform websites and social media. Factual, simple, efficient.

Campus voting stations will be set up in Place Riel from October 5th to October 9th, 10am–10pm. Vote while waiting for the bus!

Bring ID. You have a few options for this:

- Driver's License or other government ID with your photo, name, and *current* address.
- Two pieces of ID - both must have your name, at least one with your *current* address (ex. your student card and a utility bill).
- Your Student ID card is valid as a second piece of ID, but not as a proof of residence.

Voting at a polling station only takes 3 minutes.

- Takes less time than getting Tim Hortons at Geo.

YOUR VOTE MATTERS.
Now, more than ever.

100 YEARS FLASHBACK

2003: The Infamous Ag Bag Drag

This tradition has been going on for years and years, cultivating the rich rivalry between engineers and agros. During the month of October, Tank Jr. and Ag's Drag Car are out around the streets of Saskatoon. The object is to steal the other college's vehicle and paint it in our colours. If you're interested in partaking in these shenanigans, message the SESS's Facebook page and we'll invite you into the groupchat. Stay vigilant, engineers!

Are you interested in international development and making a positive change?

If so, join Engineers Without Borders at our Member Learning session! It's taking place on **October 8th** from **6:00p to 7:00p** in **Eng 2B52**.

This Member Learning will give an introduction to what advocacy is, the campaigns EWB Canada will be running for the coming year, and how to utilize advocacy on the USask campus.

For any questions, please email

ewbusaskpresidents@gmail.com. See you there!

The CIM Saskatoon Student Chapter Industry

Panel night is this Monday, October 7th, so get your tickets while you still have a chance! There will be 13 experienced industry members with various backgrounds related to engineering and human resources from companies such as Cameco, Nutrien, Hatch, K+S Potash, Wood and SNC-Lavalin. Don't miss out on this awesome networking opportunity and supper for only \$10!

The Eventbrite link is shown below:
