PRESIDENT'S MESSAGE

Boo!

It's spooky week, and I couldn't be happier about it. Be sure to dress up on Thursday, Oct 31st (especially if you scheduled to give a speech in RCM) in your scariest costume!

Another shout out to Ganesh in IEEE for another amazing Beer Night. I'm not sure how he does it, but they got 60+ people out to kill 2 kegs (and then some) in 2 hours. I can't wait for the next one!

This Friday sees another IEEE event: Big Brothers Big Sisters of Saskatoon BBQ Fundraiser; a licensed BBQ in the Hardy lab on November 1st, sponsored by Great Western and Boyrski's Butcher Block, all proceeds from this event go towards fundraising the annual X-Mas party that the IEEE puts on for all the kids at BBBS.

Another event on that day is Eng Wing Night! Come out to Hudson's on Friday and enjoy \$0.49 wings all night long!

Midterms are still in full-swing, so be sure that you're staying on top of your mental health. Remember to take study breaks, go for walks, eat *small* snacks—whatever you need to get your mind off things and relax for a bit.

It's getting cold out, so be sure to dress for the weather. If you need, the SESS sells toques, gloves, scarves, and sweaters in the E-Store!

One last thing, the USSU is doing Trick or Eat, where teams go around on Halloween and ask for food donations. Engineering is putting a team together, and all you have to do to participate is sign up at the SESS Office before going out and collecting some donations! Come to the SESS office for more details.

That's it for me! I hope you all have a great Spooky Week :)

Cheers,

Dayne G.

100 YEARS FLASHBACK

1975: First Year Bowling

Tradition holds that the First Years organize a bowling night for engineers every fall, and it has always been successful. This year, our First Year Council instead planned a Halloween dance. This event was also really successful; great job, FYC!

THIS IS FOR THE 'E'.

The timing could not have been better for Eng to pull off a stunt. Our stunts-men and stunts-women hauled dozens of pallets into the Agro student lounge and transformed it into a wonderfully chaotic maze. Thank you to our morale commissioners and stunt planners, Sam and Joel, and to everybody who showed up to participate!

ATTN: CIVIL STUDENTS!

Discipline clothing for Civil Engineering will be on sale this week and the next. Sample sizes are available to try-on before you order. Clothing sales only happen once a year, so don't miss your chance! Remember that Civil Club members receive a discount on all clothing purchases. Sales and try-ons are going to be set up **in front of the student lounge** as follows:

Thursday, October 31st – 8:00 am to 11:00 am

Friday, November 1st – 8:30 am to 12:30 pm

Monday, November 4th – 8:30 am to 12:30 pm

Tuesday, November 5th – 8:30 am to 11:30 am

Wednesday, November 6th – 8:30 am to 12:30 pm

Hi Eng friends! To promote Nutrition Month in the college next March, there is a short survey attached below that we ask you to fill out as soon as possible! **In return for your participation, there will be a draw for a \$10 Amazon gift card.** Anyone who completes the survey BEFORE November 1st at 4PM will be entered in the draw.

NOTE: In either the next month or two, and certainly for the new year, I will be removing the Rebus puzzles. They have gotten dry for many students, which I completely understand. Please send me any suggestions for new kinds of puzzles to replace them in an Eng Info survey. The link is beside the sudoku, and it will only take a minute. I appreciate all of your feedback.
