PRESIDENT'S MESSAGE

Hi all, welcome to the 2020 fall semester! I know things have been a little different during the start of this year, but we are back in action now.

We just received access to our inventory so we will be getting our **online store** up and running soon.

This includes our famous Eng paper that so many people have been asking about, as well as our swag!

Memberships are available this year and they will give you access to online conferences, swag, our optional redbook, tutorials and events. Stay tuned for information about pick up days!

UPCOMING EVENTS

?
OCT

Hey everyone, with everything that is going on in these tough times, we don't have many events going on right now. So, the Fo is going to look a little different.

?
OCT

But, we're still going to try and make the Fo just as much fun as it has been in previous years. I hope you enjoy it! Stay safe everyone!

... and much more!

Along with this, the first round of **USESf applications** are open! Our website has all the information you'll need for your application and eligibility requirements. They are due **October 14th**, so start the application process soon if you haven't done so yet. I am looking forward to this year, as strange as it may be! Stay healthy, have fun, and do the best you can under the circumstances!

Cheers,
Amelia Fauth

R2EP

The EWB USask Chapter is participating in the national **EWB Virtual Run to End Poverty (R2EP)** fundraiser! This is a collective day of action occurring on **October 17th** to increase awareness of poverty issues and fundraise money for EWB Canada programs and chapters—including EWB USask. Since this is a virtual run, to participate **you don't necessarily need to run**. You can dance, skip, or do yoga. So if you'd like to help solve the root causes of poverty and inequality, click this link to register for our **socially distanced** EWB USask Chapter walk on October 17th and learn more about how to register as a runner for the R2EP fundraiser.

With hope and determination,

EWB USask Chapter
