UPCOMING EVENTS

?
NOV

Hey everyone, with everything that is going on in these tough times, we don't have many events going on right now. So, the Fo is going to look a little different.

But, we're still going to try and make the Fo just as much fun as it has been in previous years. I hope you enjoy it! Stay safe everyone!

... and much more!

PRESIDENT'S MESSAGE

The end of the semester is fast approaching! I hope all is going well in the crazy world of engineering students and people aren't drowning in final assignments before finals hit.

Exciting news for SESS members, we have our official **SESS By-election** this Friday November 27th starting at 8:00 AM and closing at 11:59 PM and it is available through your PAWS elections tab. We have been working hard to serve you the best we can online this year, and our **Engineering Paper sale** was a hit! If you missed this one, we will be having one in the following term or you can check out some of our other merch on our E-Store available here: <https://sessestore.ca/collections/all>.

If you have any recommendations for this year, or if there is anything you want us to think about, shoot me an email at president@sess.usask.ca. Stay healthy and out of the snow barricades!

Cheers,
Amelia Fauth
