PRESIDENT'S MESSAGE

Hello!

I hope you all are doing well and managing to find times to relax during midterms. If you have time today go take a brisk walk around campus and enjoy the artwork from sidewalk painting last Friday.

Today (Oct 18) is the last day to apply for funding through the **USESF** for the first term so if you have not done that yet you still have time! As a reminder, the USESF is open for student groups and students to apply for funding that will be put towards academic and professional development, events, competitions, tutoring, or projects. If you have any questions please email president@sess.usask.ca or stop by the office.

We are also still looking to add **tutors** to our tutor list so if you are interested in being added to the list please email vp.student-affairs@sess.usask.ca with your name, NSID, and classes you are willing to tutor.

Have a great rest of the week,

Kasey B.
