PRESIDENT'S MESSAGE

Boo!

It's the week before Halloween and I'm sure we are all feeling the fright (from midterms that is). Make sure you are taking care of your mental health during midterms so take frequent breaks, eat some snacks and take some time for yourself. Also try and get into the Halloween spirit with a scary movie or two.

The SESS is hosting Trick and Treat on Thursday, the 28th. We will have treats in multiple locations throughout the engineering building and if you can take a picture in costume at each place you can win an even bigger prize! For the trick part of Halloween, we will be doing our favourite pastime of pranking the Ags. **Meet in the SESS lounge at 5:30pm** and get ready to spook the Ags. More details on our Insta: [@usask.sess](https://www.instagram.com/usask.sess)

That's all for this week!

Cheers,
Kasey B.
