PRESIDENT'S MESSAGE

Welcome back everyone!

We are finally back in person and I don't know about you but I am sure missing sleeping in. Besides that I am excited that we are back and we can begin to have events again! (Stay tuned we have some things cooking)

CSE applications are due Monday Feb 7th at 11:59 pm! Make sure you get your applications in and if you have any questions send an email to vp.external@sess.usask.ca.

The CFES is currently running a student survey in order to gain insight on the student experiences over the past year. The different regions are competing for the most surveys filled out so help out WESST and participate in the survey. Individual prizes are available to be won if you fill out the survey also! The survey can be found at: <https://cges.ca/survey>.

Looking for **FREE PIZZA**?! Stop by the outside of the **SESS office (1C12)** on **Tuesday Feb. 8th from 11-1** to grab your slices. We are partnering with SaskWell to promote their mental health messaging service so if you join the service you get free pizza!

Finally, if you are looking for something to do Friday night, come watch the Huskies Men's hockey game at the Merlis Belsher Place. At the halftime, you will get to see the SESS take on the Agros in a game of bubble soccer. Show your engineering pride and arrive wearing your red gear.

That's all for this week!

Kasey B.
