## PRESIDENT'S MESSAGE

Hello!

The SESS took on the Agros Friday in a game of bubble soccer and I have to tell you... It was hard!

Do you like being involved, want to help students, or want to improve your resume? There are three different areas that you could run for.

Why not run for an executive position in SESS? **The nomination period for the 2022-2023 executive starts today.** Positions available are: President, VP Student Affairs, VP Finance, VP Communications, VP Corporate Relations, VP External, VP Events, and VP Administration.

You could also run for an MSC if you are interested in representing engineering students to the USSU. Or if you want to have a say in how the funding from USESF is distributed and you do not hold a position on another student group within the college you could run for the USESF Student Representative.

Nomination forms can be picked up at the SESS Office (1C12) and are due **February 27th at 4:30 PM.**

If you have any questions about the positions listed above stop by the office or email [president@sess.usask.ca](mailto:president@sess.usask.ca).

On another exciting note, **order forms for poofies, armbrs, and discipline jackets are now available!** Forms are due **Wednesday March 2nd** and invoices will be sent out once the forms are in. More information included in the following pages.

Stay tuned for in person events in the next couple of weeks!

Cheers,  
Kasey B.
