PRESIDENT'S MESSAGE

Hello everyone!

I know we are probably all feeling like hot garbage lately but we have some events that we hope will lift everyone's spirits!

To start, our annual **Pi-Throw** starts today! You ever want to throw a pie in your friends face, or maybe your professors? Well get ready to buy your pies! You can purchase pies for **\$10 from March 7th-13th** at the **SESS Office** or at <https://sess.usask.ca/pithrow/index.php>. When this pie is delivered, the recipient has four options:

1. Redirect the pie within the room for the purchase price of the pie;
2. Buy the pie outright for double the purchase price;
3. Take the pie in the face;
4. Choose not to participate.

All proceeds will be donated to **Youth Science Canada**. If you do not want to participate you can also be added to a No-Pi list at the above locations. We also need volunteers! **If you want to have the honor of throwing the pie in someone's face stop by the SESS Office and sign up on our volunteer list.** Stop by the SESS Office for any questions or email charity@sess.usask.ca.

The next event of the week is that **Sno-Golf** has returned! A first year has once again planned the event but it will be a little different this year until we get fully back into the swing of things. Check out the poster inside the Eng-Info for more details or email mpj946@usask.ca for more details.

Lastly, the **Co-op Internship Program applications are open until March 31st**. You can apply through CareerLink <https://careerlink.usask.ca/home.htm> (click on Engineering Co-op Internship Program module, apply to "January 2023") There will be an information session on March 11th via Zoom, <https://careerlink.usask.ca/events.htm?evtlId=5704> from 4:30-5:30pm. For more information, visit the Co-op & Career Centre at ENGR 1A01 or email engineering.coop@usask.ca

See you next week!

Kasey B.
