

ENGINEERING INFO

September 23, 2024

IN THIS ISSUE

Hey Engineering!

There's a ton of great networking opportunities this week, starting with the Co-op and Career Centre's Engineering Student Industry Night happening tonight (Monday).

The USask Careers Day is tomorrow (Tuesday), along with the SES Student Mixer. The SES has increased the capacity for their event, so if you haven't yet, reserve your free ticket now!

Cenovus Energy is coming Wednesday for a Hallway Visit outside the library, and WSP is organizing a networking night on Thursday at Louis' Loft.

For more details on any of these events, check out the ads on page 3!

PRESIDENT'S MESSAGE

Hey everyone,

Happy Monday! (said no sane person ever :p) But don't worry, we just have to power through this week, and then the long weekend is right around the corner!

Our tutor list is up and running on the SESS website (<https://sess.usask.ca>)! If you need a little extra academic support, head over and check it out. We're also planning some tutorials for those challenging classes ahead of the midterm season. If you want to be added to the tutor list or host a tutorial, shoot an email to vp.student-affairs@sess.usask.ca.

Additionally, the USESF (University of Saskatchewan Engineering Students' Fund) applications are open! Applications are due October 6th. If you have any questions about the guidelines or application process, don't hesitate to reach out to me at president@sess.usask.ca.

Now onto the SESS By-elections: nominations for VP Corporate and USSU Members of Student Council have now closed. An election forum will be held **this Friday @ 6pm in the SESS Lounge** where you can meet with the election candidates. Voting will be on PAWS next week **Sept 30th, 8:30am - Oct 1st, 4:30pm**. Stay tuned for more info.

UPCOMING EVENTS

**27
SEPT**

SESS By-Election Forum

Come meet the election candidates and learn about their platforms!

... and more!

My last little bit and then you won't hear from me again (until next week) is that the **First Year Council** is starting up again! As a First Year Rep, you'll get to organize cool events like a Halloween Party and Laser Tag, make announcements in lectures and connect with more of your classmates. Plus, it's a great way to learn about the SESS and student leadership. If you are interested in a fun group for first years the FYC is for you! There's more info on the SESS website and you can also contact vp.student-affairs@sess.usask.ca if you have any questions or want to join the Council!

Have an awesome week, everyone!

Cheers,
Sarah K.

SESS MEMBERSHIPS AVAILABLE

Become an SESS member to get free coffee/tea/hot chocolate, deals on eng paper and merch, discounts on conferences, and the 'Fo sent straight to your inbox!

For the month of September, memberships are \$15 (instead of \$20) and you are entered for a chance to win a discipline jacket!

Swing by the SESS office (1C12) during office hours to get one.

Need a locker?

You can rent one from the SESS office (1C12).
\$30 Members/\$40 Non-Members

Don't forget to follow us on Instagram (@usask.sess) and join our Discord server (discord.com/invite/2vuJGEYZrU)!

Student Wellness Team Needed!

Are you passionate about student wellness? Are you ready and able to help introduce wellness prevention initiatives at the College of Engineering? If so, we invite you to join the Student Wellness Team! In this role, you will collaborate with the Student Support and Outreach Coordinator to create impactful wellness opportunities for the college, focusing on enhancing mental health outcomes and fostering student socialization.

If you would like to explore this opportunity, please contact Jamie Gegner, the Student Support and Outreach Coordinator, at jamie.gegner@usask.ca by **October 7th, 2024**. Please note that a brief interview process will take place to ensure the Student Wellness Team can provide adequate opportunities. This is a fantastic chance to enhance your experience for your resume!

Student Volunteers Needed to Support the College of Engineering Food Security Program

Are you available for a free half hour on Friday mornings (before 10AM) to gain some valuable volunteer experience for your resume? If so, the College of Engineering Student Support and Outreach Coordinator is seeking students to pick up bread from the International Student and Study Abroad Centre in Place Riel and return it to the College of Engineering. The more volunteers we have, the less frequently each person will need to collect the bread.

If you're interested in this opportunity, please reach out to Jamie Gegner, the Student Support and Outreach Coordinator, at jamie.gegner@usask.ca by **October 7th, 2024**.
