IN THIS ISSUE

Happy Monday! Can't believe this is already the last 'Fo of the term.

Today, the Co-op and Career Centre has CIMA+ coming for a hallway visit. If you haven't had a chance to talk to them at the Co-op Coffee Corners, find them outside the library!

Tomorrow, the College brings us Snacks for Students at noon on the second floor. Continue the holiday cheer by participating in the gingerbread house building competition in the library at 1 pm!

PRESIDENT'S MESSAGE

Hello Brilliant Engineers,

The final week of Fall Term 2024 is upon us! It's a mix of relief (no more lectures!) and dread (hello, finals!). But hey, before you dive headfirst into study mode, take a moment to enjoy our Monday morning memes and a calming Sudoku.

Shoutout to everyone who rocked the Saskatoon Engineering Competition this past weekend! The innovative designs and brilliant problem-solving were amazing to see. Congrats to all the winners—we're cheering for you as you head to the Western Engineering Competition. Go show them what USask engineers are made of!

A quick SESS update: The office will be closed during exams but will reopen when classes resume. Make sure to stock up on your red bull and snacks before Thursday!

UPCOMING EVENTS

**3
DEC**

Gingerbread House Competition

Take a break and get into the holiday spirit with the perfect way to unwind before finals. No experience is necessary, and all materials will be provided!

... and more!

As finals approach, remember to take care of yourself. Stay hydrated (and no, Red Bull doesn't count), eat balanced meals to fuel your brain, and make sleep a priority, even when an all-nighter feels tempting. Take breaks to recharge, whether that's a walk, your favorite show, or solving a puzzle for fun. And don't forget, you're not alone! Lean on your friends, family, or reach out to us at president@sess.usask.ca if there's anything we can do to support you.

You're almost at the finish line! Wishing you all a productive, stress-free exam season. See you next year, ready to conquer Winter Term.

May the odds (aka the curve) be ever in your favor,
Sarah K.
