IN THIS ISSUE

Happy Monday!

This week is on the quiet side, which should help ease us back into things.

Visit the Co-op and Career Centre this morning for their Coffee Corner, sponsored by PCL Construction!

The rest of the month brings excellent networking opportunities like the SESS Winter Formal and the CJ Mackenzie Gala, so make sure to grab your tickets now!

PRESIDENT'S MESSAGE

Hey Hey, Engineers!

Happy New Year!!! It feels like we blinked, and now we're back to classes already. But don't worry, 2025 is off to an exciting start, and we've got some awesome events to keep you energized and inspired this term.

Mark your calendars for **January 28th** because the *C.J. Mackenzie Gala of Engineering Excellence* is coming up! This prestigious event brings together engineers, students, and professionals for an unforgettable evening of networking, celebration, and inspiration. You can find the [eventbrite](#) link on page 3.

Feeling a bit rusty with your networking skills and nervous to attend such a big event? Well, we've got you covered! The SESS is hosting our **third annual Winter Formal Industry Mixer** on **January 22nd** at Louis' Loft! Doors open at 6:00 PM, and tickets are *only \$10 for SESS members* and *\$15 for non-members* (yes, this includes a catered dinner!). But hurry—ticket sales close on January 15th, so snag yours before they're gone!

UPCOMING EVENTS

**6
JAN**

Co-op Coffee Corner

Visit the Co-op Office for a complimentary hot beverage and snack from 8:30 to 11 am, courtesy of PCL Construction!

... and more!

This SESS industry mixer is the perfect opportunity to polish up your networking skills in a fun, relaxed setting. Meet industry reps from various engineering fields, make some connections, and maybe even gain a little confidence before the big C.J. Gala. If you can't attend C.J., this is an opportunity to still get your name out there and become familiar with industry. Plus, if you're going to both events, you'll already have some familiar faces waiting for you at the gala. It's a win-win!

Additionally, if you think you could use a little more exercise (New Year's resolution, anyone?), MESA has some exciting news! They're organizing college-wide teams for the Winter 2025 Campus Rec Sports, including Basketball, Volleyball, Dodgeball, Futsal (indoor soccer), Innertube Water Basketball, and Hockey. Registration is open until **January 8th**, and all the signup sheets are in the SESS lounge. Let's show off that engineering spirit—on and off the court!

Here's to an amazing term ahead, whether it's acing those classes, meeting new people, or just surviving the Saskatoon winter. We're all in this together :)

Catch you around campus,
Sarah K.
