## PRESIDENT'S MESSAGE

Happy Monday!

SaskTel is stopping by on Wednesday, and they are actively seeking new grads. If you want to learn about how your tuition money is used and give your input, make sure to attend the Tuition Conversation with Dr Odeshi that day!

Plus, the SESS is joining in on food sales! Also on Wednesday, grab some pizza from 4-6 pm outside the lounge.

Civils are organizing a Trivia Night on Friday, and Concrete Canoe is doing a really fun pubcrawl on Saturday! Last but certainly not least, Physics and Eng Phys is putting on an "Anything but a Sled" fundraiser on Saturday too.

**Hello hello, Engineers!**

I hope you all had a fantastic weekend! It's a quiet week around campus, so take this chance to catch up on sleep, assignments or just embrace the calm before the midterm storm.

**Engineering merch reminder!** Today is the last day to order engineering merch from the bookstore. We have windbreakers, discipline hoodies, t-shirts, joggers, hats, and scarves! SESS members get a sweet discount, so don't miss out. Check out page 3 for the QR code to the form.

This week only, **USask EngiQueers** is running a **Matchmaker Campaign**. Keep an eye out for their posters with a QR code linking to the questionnaire. Not only will you find out your top match, but also which celebrity you're most compatible with and some fun facts about your birthday! Prefer chaos? You can also discover your least compatible person (and maybe befriend them because opposites attract, right?).

Stay tuned for our Mental Health Week events happening next week, from the 10th to the 14th!

## UPCOMING EVENTS

**FEB  
5**

### SESS Pizza Sale

Staying on campus late but don't want to hike across campus in the cold to get actual food? Grab a slice of pizza from 4-6 pm outside the lounge!

... and more!

That's all for now! Have a great week!  
Sarah K.
