## PRESIDENT'S MESSAGE

Happy Monday!

This week, send whipped cream pies to anyone in Engineering for a minimum donation of \$10! Fill out the order form by Thursday to have a pie delivered from 8:30 am to 4:30 pm, Wednesday to Friday.

On Saturday, the IEEE uSask Branch is hosting the Illumination Conference! Network with Saskatoon's industry leaders and hear from experts at Team Power Solutions, Calian, RMD Engineering, SaskTel, TrackPoint AI, and more! Your ticket includes a three-course lunch, a snack bar, and a shot at the \$960 prize pool.

Hello hello!

Happy Monday! I hope your weekend was both fun and productive, whether that meant catching up on assignments, hanging out with friends, or just enjoying some well-earned rest. Here's what's happening this week:

I'm excited to announce that **Pi Throw 2025** is in full swing! Every year, the SESS hosts this legendary charity fundraiser during the week of Pi Day (March 14)—giving you the chance to pie your friends, profs, or even execs (with their permission, of course). It's all in good fun and for a great cause! This year, all proceeds will be donated to the **Saskatoon Food Bank**, helping support those in need in our community. Pi Throw will be running from **Wednesday, March 12 to Friday, March 14**, so get ready for some well-aimed splatters! **Place your order [HERE](#)** and let the pie-flinging begin!

On Tuesday, March 11th, from 5:30-6:30 PM, **USask Women and Allies in Engineering** are teaming up with Tate Cao's tech innovation class to host an exciting guest speaker event. **Jenny Larios Berlin**, a Civil Engineer from MIT, will be sharing her journey on commercializing her Master's research on urban planning. If you're curious about turning research into real-world impact, this is an event you won't want to miss. Plus, there will be free pizza.

## UPCOMING EVENTS

If you missed out on the last sale, here's your second chance! We're bringing back **poofies**, **armbars** and **discipline jackets**, with the order deadline set for **March 17th**. Plus, our **Midwest merch sale** is still going strong, featuring **t-shirts**, **hoodies**, **bags**, and jackets. Check out the QR code on page 3 for links and details!

That's all from me for now. Have a fantastic week, and may your coffee be strong and your deadlines be kind!

Cheers,  
Sarah K.

12-14**

### Pi Throw

Send a whipped cream pie to anyone in Engineering (yes, including profs) for a minimum donation of \$10! All proceeds go to the Saskatoon Food Bank.
