## PRESIDENT'S MESSAGE

Happy Monday!

This week is on the quiet side in terms of events due to Capstone wrapping up and Finals approaching.

SESS Election Nominations are open all week long! Pick up your form at the office and hand it in by Friday.

If you need help with physics or just want a space to study, don't forget about the PEPSS weekly study nights on Mondays!

As always, ChESS sells pierogis today, MESA does BBQ on Wednesday, and IEEE has Chungchun rice dogs on Friday!

Hey Eng!

Hope you all had a fantastic weekend! Whether you were grinding through assignments or catching up on sleep (we've all been there), here's to another great week ahead. And trust me, it's a big one: *election season is here!*

**Want to make a difference? Run in the SESS Elections!** Now's your chance to step up, get involved, and leave your mark on the Engineering community. Running for an **SESS executive position, USSU Member of Council, or USESF representative** isn't just a great way to enhance your resume, it's a chance to gain leadership experience, shape student life, and make an impact. Nomination forms are available for pickup at the SESS office and are due **Friday, March 21st, at 4:30 PM**, so don't miss out! Grab a form from the SESS office and chat with us if you have any questions. Email [president@sess.usask.ca](mailto:president@sess.usask.ca) for more info.

On **March 25th**, *USask Women and Allies in Engineering* are hosting **Girl Golf** from 6:00-8:00 PM! This event is open to all genders and is a great way to learn the basics of golf—a skill that's surprisingly useful for networking and career-building in engineering. Spots are limited, so register early to secure yours! On **March 26th**, *Mosaic* is hosting a pizza social and meet & greet with some of their female engineers and hiring managers, who are excited to hear your experiences and share their career journeys. Drop by Room 1B77 from 3:30-6:00 PM, stay for as long (or as little) as you'd like! Registration link is on page 3.
