PRESIDENT'S MESSAGE

Happy Monday!

Mosaic is visiting us twice this week; on Wednesday a few of their female staff are coming for a pizza social and on Thursday they will have a booth outside the library.

The SESS election forum is also Thursday. Make sure to attend to make an informed choice!

On Sunday, join us for the return of the "Sheafing": a classic stunt in the Agro lounge where we tear up a bunch of old newspapers and generally make a huge mess for them to clean up ;)

Hey Folks!

Hope you all had a great weekend! I, for one, fell into the trap of relaxing a little *too* much before the chaos of finals season, and now I'm bracing for impact this week. If you're in the same boat, just know you're not alone!

Election Update: A huge congratulations to all the nominated candidates! Campaigning is now in full swing and will run until Thursday, March 27. We're hosting an **Election Open Forum on Thursday, March 27 at 4:30 PM in the SESS Lounge**. This is your chance to hear from the candidates, ask questions, and learn more about their plans for next year.

Elections will take place on **PAWS**, with voting opening on Friday, March 29 at 8:30 AM and closing on Saturday, March 30 at 5:00 PM. Only SESS members can vote for SESS Executive positions, while all engineering students are eligible to vote for the USESF Undergraduate Student Representative. Your vote matters, so don't miss out!

If you're looking for a chance to network before finals take over your life, **Mosaic is hosting a pizza social and meet & greet** with their female engineers and hiring managers on Wednesday, March 26. This is a great opportunity to ask career-related questions, hear their experiences, and enjoy some *free* pizza. The event will be held in Room 1B77 from 3:30-6:00 PM, and you can drop by anytime. The registration [link](#) is on page 3 if you're interested!

Election Open Forum

Hear from the candidates, ask questions, and learn more about their plans for next year. Your vote matters, so don't miss out!

... and more!

With the semester wrapping up and deadlines piling on, don't forget to take care of yourself. Burnout is real, and your mental health matters just as much as your grades. Take breaks, get some fresh air, and don't hesitate to reach out to friends, professors, or support services if you need to. You've worked hard all term, keep pushing, but be kind to yourself too!

That's all from me this week! Wishing you all the best with those big projects and assignments that unfortunately accompany the end of the term. You've got this!

See you around,
Sarah K.
